3. By having been a residential customer within the last two years and having paid all bills for gas service in accordance with the provisions of Rule No. 9, for the most recent 12 consecutive months of such service, provided, however, the credit of the applicant is unimpaired in the opinion of the Utility.
4. By any of the above methods, tenants of single metered multi-family dwellings have the right to become Utility customers in place of the landlord who fails to pay the gas bill. In addition, where prior service is being considered as a condition for establishing such credit, residency in the multi-family dwellings for the immediately preceding 12 months and proof of prompt payment of rent for this same period of time shall be a satisfactory equivalent; or

2. By furnishing a qualified guarantor to secure payment of bills as prescribed in Rule No.7; or
3. 2. A current nonresidential customer who fails to pay bills before becoming past due as set forth in Rule No. 9, may be required to pay such bills and to re-establish credit by making a cash deposit as prescribed in Rule No. 7. This rule will apply regardless of whether or not service has been discontinued for such nonpayment. Pursuant to D.10-10-032, small nonresidential service customers shall receive one warning letter per 12-month period prior to any deposit request after at least one late payment, which informs that a deposit to re-establish credit may be required if future payments are not made in a timely manner.
