Advice No. 2669-C
(U 904 G)

Public Utilities Commission of the State of California

Subject: Supplemental Filing – Description of SoCalGas' Non-Tariffed Products and Services

Southern California Gas Company (SoCalGas) hereby submits for filing with the California Public Utilities Commission (Commission) this Supplement to Advice No. 2669, filed January 30, 1998, as supplemented by 2669-A dated September 14, 1998 and 2669-B dated December 4, 1998. The Advice Letter established SoCalGas' existing tariffed and non-tariffed products and services and requested authorization to continue to offer those products and services, in compliance with Decision 97-12-088, Appendix A, Rule VII.F. As of December 27, 2005, Advice No. 2669 as supplemented is pending approval by the Commission. This Supplement adds one product/service to the initial filing based on a recommendation by NorthStar Consulting Group (NorthStar).

Background

NorthStar conducted the Affiliate Transactions Audit of SoCalGas to provide an independent analysis of SoCalGas' compliance with the Affiliate Transaction Rules for the calendar year ending December 31, 2004. NorthStar found that SoCalGas did not include the Home Energy Upgrade Finance Program in Advice No. 2669, even though this service existed prior to submission of the Advice Letter.

The Home Energy Upgrade Finance Program provides financing on the purchase and installation of energy efficient products for the home such as windows, insulation and central air conditioning. SoCalGas supports the program through advertising, which includes newspaper, radio, bill inserts or other forms of advertising designed to encourage customer participation in the program.

SoCalGas hereby supplements Advice No. 2669 further to add this service to its listing of non-tariffed products and services transmitted therein. As with any other nontariffed product/service, SoCalGas is under no obligation to continue to offer the product/service any longer than it chooses to do so.

Protest

Anyone may protest this Advice Letter to the Commission. The protest must state the grounds upon which it is based, including such items as financial and service impact, and should be submitted expeditiously. Copies of the protest should also be sent via e-mail to the attention of both Jerry Royer (jjr@cpuc.ca.gov) and Honesto Gatchalian (jnj@cpuc.ca.gov) of the Energy Division.
