Advice No. 3505
(U 904 G)

Public Utilities Commission of the State of California

Subject: Revision of Customer Bill Forms

Southern California Gas Company (SoCalGas) hereby submits for approval by the California Public Utilities Commission (Commission) revisions to its tariffs, as shown on Attachment B.

Purpose

Starting in August 2005, SoCalGas will begin converting customer checks into Automated Clearinghouse (ACH) electronic payments. This filing revises SoCalGas' General Service (Core) Bill Form 41-R and Commercial/Industrial Service (Noncore) Bill Form 77-2 to include language that describes electronic check processing.

Information

Like many companies, SoCalGas will begin processing mailed check payments electronically. Electronic check conversion benefits the customers by providing faster check clearing and provides an up-to-date picture of the customer's account balance. Their information is more secure because checks will not be physically transported to various locations.

As part of this process, account data from the customer's check is captured and converted into an ACH electronic payment. The customer's bank account will be debited in the amount of their check as early as the same day payment is received. The customer's original check will be destroyed but SoCalGas will maintain a digital image of the customer's check for seven years. The transaction will appear on the customer's bank statement as an electronic funds transfer.

Customers not wishing to participate in this program can opt-out at any time by calling the toll-free Opt Out number 1-877-272-3303 and entering their customer bill account number.

On June 6 SoCalGas began to notify customers of this processing change through a one-time bill message on the front of the bill, an article in the Gas Company News bill insert newsletter, and information on SoCalGas' website. Upon approval of this advice letter, a message on the back of the bill will also be used for this purpose.

Bill Back Language

The following language will be added to the back of both the core and noncore bills as shown in Attachment B:

Electronic Check Processing

When you pay your bill by check, you authorize us to electronically process your payment. If your check is processed electronically, your checking account may be debited on the same day we receive the check. Your check will not be returned by your bank, however, the transaction will appear on your bank statement. If you do not wish to participate in this program, have your account number ready and call 1-877-272-3303.

This filing will not create any deviations from SoCalGas' tariffs, cause withdrawal of service from any present customers, or impose any more restrictive conditions.

Protest

Anyone may protest this Advice Letter to the Commission. The protest must state the grounds upon which it is based, including such items as financial and service impact, and should be submitted expeditiously. The protest must be made in writing and received within 20 days of the date of this Advice Letter. There is no restriction on who may file a protest.
