Advice No. 3620  
(U 904 G)

Public Utilities Commission of the State of California

**Subject: Update of Southern California Gas Company Service Area Maps**

Southern California Gas Company (SoCalGas) hereby submits for filing revisions to its tariff schedules, applicable throughout its service territory, as shown on Attachment B.

**Purpose**

The purpose of this clean-up filing is to re-file SoCalGas' service area maps which have been digitized so that they can be posted in SoCalGas' website.

**Information**

SoCalGas is filing herein all the maps except those impacting Pacific Gas & Electric Company's (PG&E) territory in Kern County. The Kern County maps will be filed later under a separate Advice Letter.<sup>1</sup>

These digitized maps are the same as those that are now currently filed with the California Public Utilities Commission (Commission) except for cosmetic changes. SoCalGas also is re-filing the tariff sheets containing the legal description delineating the boundaries for its service area. The tariff sheets containing the legal description are now electronic and have been re-typed with no substantial changes. In addition, the legal description for the territorial boundary lines between SoCalGas and Southwest Gas Corporation by Los Angeles and San Bernardino County Border has been re-typed as a new tariff sheet. It was originally included only in the body of Advice No. 1949-A filed on July 30, 1990, but not as a tariff sheet. The only other minor change made is the reference to the City of Long Beach Municipal Gas Department now called Long Beach Energy.

The Zone Rate Credit Eligibility Boundary Map that is still showing as current and effective is hereby deleted. The approval of Advice No. 2410 eliminated the Zone Rate Credit and therefore the map is unnecessary.<sup>2</sup>

---

<sup>1</sup>PG&E and SoCalGas are in consultation with each other, but have not ironed out all the issues.

<sup>2</sup>Advice No. 2410 became effective on May 1, 1995.

This filing will not increase or decrease any rate or charge, conflict with any schedules or rules, or cause the withdrawal of service.

**Protest**

Anyone may protest this Advice Letter to the Commission. The protest must state the grounds upon which it is based, including such items as financial and service impact, and should be submitted expeditiously. The protest must be made in writing and must be received within 20 days of the date this Advice Letter. There is no restriction on who may file a protest. The address for mailing or delivering a protest to the Commission is:

CPUC Energy Division  
Attention: Tariff Unit  
505 Van Ness Avenue  
San Francisco, CA 94102

Copies of the protest should also be sent via e-mail to the attention of both Jerry Royer ([jjr@cpuc.ca.gov](mailto:jjr@cpuc.ca.gov)) and to Honesto Gatchalian ([ijnj@cpuc.ca.gov](mailto:ijnj@cpuc.ca.gov)) of the Energy Division. A copy of the protest should also be sent via both e-mail and facsimile to the address shown below on the same date it is mailed or delivered to the Commission.

**Effective Date**

SoCalGas believes that this filing is subject to Energy Division disposition and therefore respectfully requests that this advice letter become effective May 5, 2006, which is 30 calendar days after the date filed.

**Notice**

A copy of this advice letter is being sent to the parties listed on Attachment A.

TERRITORIAL BOUNDARY LINES BETWEEN  
 SOUTHERN CALIFORNIA GAS COMPANY AND  
 LONG BEACH ENERGY

Sheet 1

GENERAL STATEMENT

The following descriptions delineate the boundary between contiguous service areas of Southern California Gas Company and Long Beach Energy in Los Angeles County. These descriptions shall apply wherever reference is made in the Description of Rate Areas to the service or operating line or territorial boundary of the Company.

The description of the boundary separating the operating territories of Southern California Gas Company and Long Beach Energy is divided, for reference purposes, into four sections: "A" through "D". The general area included in each section is indicated on the Boundary Index Map.

Where the territorial boundary is located on a street property line, both sides of the street will be served either by the Company or Long Beach Energy in whose territory the street lies. Where the boundary line is located on the street centerline, the Company or the Long Beach Energy will serve its side of the boundary.

BOUNDARY DESCRIPTION

The boundary described in this section extends generally northerly from the Pacific Ocean at the western boundary of Orange County to the intersection of the centerline of Coyote Creek and the easterly prolongation of the south P/L of Tract No. 24709. The area east of this line is served by Southern California Gas Company and the area west of this line is served by Long Beach Energy.

Beginning at the point of intersection of the eastern terminus of the Long Beach breakwater in the Long Beach Outer Harbor and the western boundary line of Orange County; thence northeasterly along the boundary line of Orange County to a point in said boundary line common with the boundary line of the City of Long Beach (as of January 1, 1960); thence northwesterly, northerly, easterly and northerly along the various courses of said boundary line of the City of Long Beach to its intersection with the easterly prolongation of the south P/L of Anaheim Road; thence westerly along said prolongation to the C/L of San Gabriel River (Los Angeles County Flood Control Channel); thence northeasterly along said C/L to the C/L of Coyote Creek (Los Angeles County Flood Control Channel); thence continuing northeasterly along the C/L of Coyote Creek to its intersection with the easterly prolongation of the south P/L of Tract No. 24709, dated August 4, 1960, as recorded in Book 660, page 2 of the Los Angeles County Map Records.
