Advice No. 3731
(U 904 G)

Public Utilities Commission of the State of California

Subject: Revisions to General Service, Form 41-R (Bill Form)

Southern California Gas Company (SoCalGas) hereby submits for filing revisions to its tariff schedules, applicable throughout its service territory, as shown on Attachment B.

Purpose

This filing updates SoCalGas' General Service, Form 41-R (Bill Form), as a result of the approval of SoCalGas Advice No. (AL) 3710 to reinstate a credit card payment option program and to add an Automated Clearing House (ACH) option (electronic check). In addition, language was updated to list the many convenient ways to pay gas bills, including online through SoCalGas' website, pay-by-phone and direct debit programs.

Background

SoCalGas filed AL 3710 on February 5, 2007 to reinstate its credit card payment option program for customers, as previously outlined in its AL 3148 filed on May 3, 2002. AL 3710 proposed to reinstate its credit card program using only MasterCard credit cards. The credit card payments are to be made available through the same authorized independent service provider, Bill Matrix. SoCalGas AL 3710 was approved by the California Public Utilities Commission (Commission) effective on March 7, 2007.

SoCalGas is now revising its General Service, Form 41-R (Bill Form), to include MasterCard payment option and to make customers aware of the \$1.50 convenience fee.

Proposed Changes to Form 41-R

In the box headed "Customer Service Telephone Numbers", the last two bolded items titled SimplePay[®] and Debit/ATM Card have been deleted and replaced by:

Convenient Payment Options

1 (800) 427-2700

We offer many convenient ways to pay your bill. The easiest way to pay your bill is online through My Account at www.socalgas.com. Or, call the number above to enroll in our pay-by-phone or direct debit programs. Of course, you can always make a payment by check or at the payment locations listed below.

Electronic Check, Debit/ATM and MasterCard® Credit Card

These payments are accepted through BillMatrix, an independent service provider. While The Gas Company does not charge for this service, BillMatrix charges a \$1.50 convenience fee for each transaction. To pay your bill online using BillMatrix, visit our website at www.socalgas.com or call BillMatrix at 1 (800) 232-6629.

Other minor changes are also proposed: The phrase "more than 130 years" in the first line has been changed to "nearly 140 years." Down below, the phrase "Authorized Payment Agencies" has been revised to read "Authorized Payment Locations". In addition, the sentence that follows now reads, "Call the Self Service Options number 1 (800) 772-5050 for the address of a payment location in your area."

This filing will not result in any increase or decrease in any rate or charge, conflict with any rate schedules or any other rules, or cause the withdrawal of service.

Anyone may protest this Advice Letter to the Commission. The protest must state the grounds upon which it is based, including such items as financial and service impact, and should be submitted expeditiously. Public Utilities Commission Notice

Should you question the amount of this bill, please request an explanation by calling the telephone number on the front of this bill. If you thereafter believe you have been billed incorrectly, the amount of the bill should be deposited with the California Public Utilities Commission, State Office Building, 505 Van Ness Avenue, Room 2003, San Francisco, CA 94102, e-mail: consumer-affairs@cpuc.ca.gov, to avoid discontinuance of service. Make remittance payable to the California Public Utilities Commission, and attach the bill and the statement supporting your belief that the bill is not correct. The Commission will review the basis of the billed amount and make disbursement in accordance with its findings. However, the Commission will not accept the deposits when it appears that the dispute is over matters such as quality of service, level of rates, pending applications for rate increase, etc., which do not relate directly to the question of the accuracy of the bill. If you do not make such a deposit with the commission within 15 days after The Gas Company notifies you of your right to do so, The Gas Company may discontinue your service for non-payment.

Information Related To Deposits

Amount of Deposit - The amount of deposit required to establish or re-establish service credit is twice the estimated average periodic bill.
Return of Deposit/Interest on Deposit - This deposit, together with any interest due, less the amount of any unpaid bills, will normally be returned either on discontinuance of service or after the deposit has been held for twelve (12) consecutive months, during which time continuous gas service has been received and all bills for such service have been paid in accordance with the rules in effect and filed with the Public Utilities Commission of the State of California. No interest will be paid if the service is temporarily or permanently discontinued for non-payment of bills.

Electronic Check Processing

When you pay your bill by check, you authorize us to electronically process your payment. If your check is processed electronically, your checking account may be debited on the same day we receive the check. Your check will not be returned by your bank, however, the transaction will appear on your bank statement. If you do not wish to participate in this program, have your account number ready and call 1-877-272-3303.
