Advice No. 3750
(U 904 G)

Public Utilities Commission of the State of California

Subject: Updated Service Territory Maps for Kern County

Southern California Gas Company (SoCalGas) hereby submits for filing revisions to its tariff schedules, applicable throughout its service territory, as shown on Attachment B.

Purpose

The purpose of this filing is to update SoCalGas' service territory maps in Kern County, California. In addition, this filing is in compliance with Decision 62681 dated October 17, 1961 and Resolution G-3197 dated February 5, 1997 in which the Commission ordered SoCalGas and Pacific Gas and Electric Company (PG&E) to discuss and delineate their Kern County service areas, and file advice letters including revised service area maps. In addition, although there are no changes to the description of the territorial boundary lines between SoCalGas and PG&E in the Delano-West Bakersfield service area, SoCalGas finds it necessary to file the sheet to put it in electronic format.

Background

In Advice No. 3620 dated April 5, 2006, SoCalGas filed digitized maps of all its territorial boundaries except those impacting the territory in Kern County which it shares with PG&E. At that time PG&E and SoCalGas were in consultation with each other, but had not ironed out all the issues. SoCalGas and PG&E have now agreed on the revised service area boundaries in the attached maps.

This filing will not affect any rate or charge, cause the withdrawal of service, or conflict with any other rate schedule or rule.

Protest

Anyone may protest this Advice Letter to the Commission. The protest must state the grounds upon which it is based, including such items as financial and service impact, and should be submitted expeditiously. The protest must be made in writing and must be received within 20 days of the date of this Advice Letter. There is no restriction on who may file a protest. The address for mailing or delivering a protest to the Commission is:

CPUC Energy Division
Attention: Tariff Unit
505 Van Ness Avenue
San Francisco, CA 94102

Copies of the protest should also be sent via e-mail to the attention of both Maria Salinas (mas@cpuc.ca.gov) and Honesto Gatchalian (jnj@cpuc.ca.gov) of the Energy Division. A copy of the protest should also be sent via both e-mail and facsimile to the address shown below on the same date it is mailed or delivered to the Commission.
