Advice No. 3808  
(U 904 G)

Public Utilities Commission of the State of California

**Subject: Notification of the Creation of New Affiliates and Reclassification of Affiliates**

**Purpose**

Southern California Gas Company (SoCalGas) hereby notifies the California Public Utilities Commission (Commission) of the creation of new affiliates and reclassification of affiliates from non-covered to covered and vice versa as defined in the Commission's Affiliate Transaction Rules (the Rules).

**Background**

In accordance with Commission Decision No. (D.) 97-12-088, in OIR 97-04-011/OII 97-04-012, Appendix A, Rule VI.B, as modified by D.98-08-035, SoCalGas is required to notify the Commission of the creation of any new affiliate addressed by these Rules. Accordingly, SoCalGas is hereby notifying the Commission of the formation of affiliates as shown on Attachment B and reclassification of certain affiliates from non-covered to covered and vice versa as shown on Attachment C.

As part of the 2004 Affiliate Transactions Audit of SoCalGas, NorthStar Consulting Group recommended that SoCalGas perform a comprehensive analysis of all affiliates to evaluate each affiliate's classification. In accordance with this recommendation, SoCalGas has completed its annual assessment of affiliates, which resulted in the identification of: one new non-covered affiliate, one affiliate classification change from non-covered to covered, and two affiliate classification change from covered to non-covered under the Rules.

No unusual or unique circumstances exist that would require affiliate transaction rule implementation measures for these affiliates beyond those already identified by the utility. Therefore, SoCalGas will apply the provisions of its 2007 Compliance Plan Advice No. 3755 to all transactions with the affiliates included herein. If the Commission modifies or requires the modification of Advice No. 3755, SoCalGas will apply all such changes, or the provisions of such amended plans, to the affiliates included herein.

This filing will not increase or decrease any rate or charge, conflict with any schedules or rules, or cause the withdrawal of service.

The protest must state the grounds upon which it is based, including such items as financial and service impact, and should be submitted expeditiously.
