Advice No. 3976-A
(U 904 G)

Public Utilities Commission of the State of California

Subject: Partial Supplement: Expedited Advice Letter Approval of Contracts to Provide Services to Maintain Southern System Reliability Pursuant to D.07-12-019

Southern California Gas Company (SoCalGas) respectfully requests California Public Utilities Commission (Commission) expedited approval of contracts with four parties to provide gas supply to support SoCalGas' minimum flow requirements on its Southern System. SoCalGas also requests approval of a capacity purchase from a fifth party that will also help support the Southern System.

Purpose

This partial supplement corrects the unintended omission of certain words in Attachment B as filed in Advice No. 3976, dated March 26, 2009.

Requested Revision to Attachment B

Attachment B sets forth the accepted Southern System RFO responses for four customers. Party C has the same volume/terms for the summer **and** winter, but in the term column of Attachment B as filed with AL 3976 it only mentions Q3. This oversight is corrected by adding the words "Dec-Feb" on the third and fourth lines for Party C, which refers to daily call service. There are no changes to the text of the advice letter itself.

Protest: Ten-Day Expedited Period

Anyone may protest this Expedited Advice Letter to the Commission. The protest must state the grounds upon which it is based, including such items as financial and service impact, and should be submitted expeditiously. The protest must be made in writing and must be received within ten days of the date this Expedited Advice Letter. There is no restriction on who may file a protest. The address for mailing or delivering a protest to the Commission is:

CPUC Energy Division
Attn: Tariff Unit
505 Van Ness Avenue
San Francisco, CA 94102

Copies of the protest should also be sent via e-mail to the attention of both Maria Salinas (mas@cpuc.ca.gov) and to Honesto Gatchalian (jnj@cpuc.ca.gov) of the Energy Division. A copy of the protest should also be sent via both e-mail and facsimile to the address shown below on the same date it is mailed or delivered to the Commission.

Facsimile No. (213) 244-4957

Effective Date

SoCalGas believes this Expedited Advice Letter is subject to Energy Division disposition and should be classified as Tier 2 (effective after staff approval) pursuant to GO 96-B. SoCalGas respectfully requests that this Expedited Advice Letter be approved on June 22, 2009, which is 21 calendar days after the date filed.

Notice

A copy of this supplemental advice letter is being sent to the parties listed on Attachment A which includes parties in A.06-08-026, the Omnibus proceeding.
