Advice No. 4071
(U 904-G)

Public Utilities Commission of the State of California

Subject: Submission of Self-Generation Incentive Program (SGIP) Data Pursuant to Decision (D.) 09-12-047

Southern California Gas Company (SoCalGas) hereby submits for filing SGIP data as shown in Attachment B in compliance with Ordering Paragraph (OP) 3(a) of D.09-12-047. San Diego Gas & Electric Company (SDG&E), in conjunction with CCSE, is making a similar filing for its SGIP data in SDG&E's territory.

Purpose

OP 3(a) of D.09-12-047 requires SoCalGas to file a Tier 2 advice letter containing the accounting data as of December 31, 2009 for all prior years for the SGIP. The decision provided the format of the accounting data to be submitted which includes details such as the authorized budgets, total costs spent, and any authorized carryover for each year of the program.

Background

The Commission established the SGIP in 2001 to provide incentives to businesses and individuals who invest in distributed generation (DG), i.e., generation installed on the customer's side of the utility meter that provides gas for a portion of the customer's load.¹

With the creation of the California Solar Initiative (CSI) in 2006, the Commission redirected a portion of the SGIP authorized budget supporting solar incentives to the CSI program.² As a result, the SGIP authorized budget for the four energy utilities³ was reduced from \$125 million to \$83 million per year.⁴ In accordance with D.06-12-033, SoCalGas will file a separate advice letter to transfer unspent funds collected for the CSI program to the Self-Generation Program Memorandum Account to fund SGIP expenses.

¹ D.01-03-073.

² D.06-01-024.

³ Four utilities are SoCalGas, SDG&E, Pacific Gas & Electric Company, and Southern California Edison Company.

⁴ D.06-12-033 and D.08-01-029.

In D.09-01-013, the Commission approved a SGIP authorized budget of \$83 million for 2009, but noted that further review was required of prior years' unspent SGIP authorized budgets or "carryover funds." In compliance with D.09-01-013, on June 1, 2009, the four utilities filed detailed information on all unspent funds and pending SGIP applications to aid the Commission in a review of the program's budget status.
