Advice No. 4117-A
(U 904 G)

Public Utilities Commission of the State of California

Subject: Supplement: Submission of the New Tenant Notification Letter and Revised Notice to Tenants Termination of Gas Service Form in Compliance with PU Code Sections 777 and 777.1

Southern California Gas Company (SoCalGas) hereby submits for filing with the California Public Utilities Commission (Commission) revisions to its tariff forms, applicable throughout its service territory, as shown on Attachment B.

Purpose

This supplement complies with the direction of the Division of Ratepayer Advocates (DRA) and Disability Rights Advocates (DisabRA) to replace in its entirety Advice No. (AL) 4117 filed on May 27, 2010. This filing complies with amended Sections 777 and 777.1 of the Public Utilities (PU) Code, per Senate Bill (SB) 120 (Lowenthal, 2009) approved on October 11, 2009.¹

Background

Pursuant to SB 120, PU Code Section 777 was amended to provide that, where a landlord-tenant relationship exists, if the Utility furnishes individually metered service to residential occupants in a detached single-family dwelling, multiunit residential structure, mobile home park, or permanent residential structure in a labor camp, and the owner, manager, or operator is the customer of record, the Utility is required to make every good faith effort to inform the residential occupants, by means of a specified written notice, when the account is in arrears, that service will be terminated at least 10 days prior to termination. The notice is required to be in English, Spanish, Chinese, Tagalog, Vietnamese, and Korean.

Additionally, PU Code Section 777.1 was amended to provide that, if the Utility furnishes residential service to residential occupants through a master meter in a multiunit residential

¹ San Diego Gas & Electric (SDG&E) filed AL 2713-E-A/1952-G-A on August 16, 2010 requesting approval of its forms consistent with SB 120.

structure, mobile home park, or permanent residential structure in a labor camp, and the owner, manager, or operator is the customer of record, the Utility is required to make every good faith effort to inform the residential occupants, by means of a written notice posted on the door of each residential unit at least 15 days prior to termination, when the account is in arrears, that service will be terminated on a date specified in the notice. If it is not reasonable or practical to post the notice on each door of each residential unit, the Utility shall post two copies of the notice in each accessible common area and at each point of access to the structure or structures. The notice is required to be in English, Spanish, Chinese, Tagalog, Vietnamese, and Korean.

SoCalGas filed AL 4117 on May 27, 2010 for approval of Form 4636-D, Notice to Tenants Termination of Gas Service consistent with SB 120. Form 4636-D informs residential occupants in English, Spanish, Chinese, Tagalog, Vietnamese, and Korean, at least 10 days prior to termination when the account is in arrears, that service will be terminated.

On June 16, 2010, DRA and DisabRA filed a Joint Protest of SoCalGas Advice Letter 4117 and SDG&E Advice Letter 2173-E/1952-G.² In their Protest, DRA and DisabRA raise a number of issues with AL 4117 and AL 2173-E/1952-G. In particular, DRA and DisabRA contend that the Utilities' proposed communications do not clearly provide the tenant/residential occupants a means of avoiding service termination, fail the spirit of the Commission's ongoing proceeding to reduce service disconnections through improved customer notice and education, and are written in bureaucratic and legalistic language that the average consumer may not understand. DRA and DisabRA conclude that the Utilities' proposed communications should be written more simply and clearly to educate and assist the consumer.

In response to the Joint Protest of DRA and DisabRA, this supplemental advice letter resolves the issues raised by DRA and DisabRA in their protest. The changes modify Form 4636 D, which is now Form 4636-E, and the Tenant Notification Letter to make the communications more customer friendly and to provide clear direction to educate and assist the customer.

Tenant Notification Letter

In compliance with PU Code Section 777 described above, SoCalGas submits its new tenant notification letter to inform the residential occupants, when the account is in arrears, that service will be terminated at least 10 days prior to termination. This notification does not disclose customer specific information, retains customer confidentiality of the owner, manager, or operator, and shall be in English, Spanish, Chinese, Tagalog, Vietnamese, and Korean. See Attachment C for a copy of the tenant notification letter, which is being provided for informational purposes only.

In discussions with DRA and DisabRA, SoCalGas has also agreed to further modify this letter to incorporate the date of disconnection and the amount of the average bill in the Tenant Notification letter. Since the inclusion of this additional information requires

² SoCalGas and SDG&E (the Utilities) filed a Joint Reply to the Joint Protest of DRA and DisabRA on June 23, 2010 indicating the Utilities had been in contact with DRA and DisabRA to discuss their concerns and to consider alternative language to the Utilities' proposed forms and remained hopeful they could resolve any concerns sufficiently to file a Supplemental AL for the Commission's consideration.

additional programming SoCalGas cannot make these changes available now, but will file a subsequent Advice Letter for the Commission's consideration, no later than March 31, 2012, when the modified letter is available.

Forms

In compliance with PU Code Section 777.1 described above, SoCalGas revises its written notice, Notice to Tenants Termination of Gas Service (Form 4636-E), posted on the door of each residential unit or two copies posted in each accessible common area and at each point of access to the structure or structures in English, Spanish, Chinese, Tagalog, Vietnamese, and Korean. Additionally, Form 4636-E is revised to conform to the American National Standards Institute's norms and guidelines for notifications. See Attachment B for a copy of the revised Form 4636-E.

Protest

Due to the fact that SB 120 requires the form change presented herein to be made available to customers beginning July 1, 2010, SoCalGas requests a shortened protest period of five days and a shortened response period of two days. If SoCalGas' request is granted, protests will be due in five days, which is September 5, 2010. Anyone may protest this Advice Letter to the California Public Utilities Commission. The protest must state the grounds upon which it is based, including such items as financial and service impact, and should be submitted expeditiously. There is no restriction on who may file a protest. The address for mailing or delivering a protest to the Commission is:

Attention: Tariff Unit
505 Van Ness Avenue

Copies of the protest should also be sent via e-mail to the attention of both Maria Salinas (mas@cpuc.ca.gov) and Honesto Gatchalian (jnj@cpuc.ca.gov) of the Energy Division. A copy of the protest should also be sent via both e-mail and facsimile to the address shown below on the same date it is mailed or delivered to the Commission.

In compliance with the amended PU Code Sections 777 and 777.1, dated October 11, 2009, SoCalGas requests that the tariff sheets filed herein are to be effective for service on and after July 1, 2010, as requested in AL 4117.

NOTICE OF SERVICE DISCONNECTION

<Date>

Dear Occupant:

The gas service to the address listed below will be disconnected in approximately 15 days due to non-payment, unless payment of the full amount is received immediately from the Landlord.

WHAT YOU CAN DO TO AVOID GAS SHUT-OFF

Per the California Public Utilities Commission code 777, if services are billed in your landlord's name, you have the right to become a customer of the utility, without paying for the past-due amount owing at this address. Tenants also have the right to deduct payment for such service from periodic rent payments.

If you decide to become a customer of the utility, you may need to establish credit by showing proof of prompt payment of rent, phone or cable utilities or payment on other acceptable kinds of debt over the last 12 months.

AVISO DE DESCONEXIÓN DEL SERVICIO

<Date>

Apreciable ocupante:

El servicio de gas en el domicilio que aparece en la parte inferior será desconectado en aproximadamente 15 días por falta de pago, a menos de que se reciba inmediatamente por parte del propietario el pago del monto total.

QUÉ PUEDE HACER PARA EVITAR LA INTERRUPCIÓN DEL GAS

Conforme al código 777 de la Comisión de Servicios Públicos de California, si los servicios se facturan a nombre del dueño, usted tiene el derecho de hacerse cliente de la empresa de servicios públicos, sin pagar el monto vencido que se deba en este domicilio. Los inquilinos también tienen el derecho de deducir el pago por dicho servicio de los pagos periódicos de alquiler.

Si decide hacerse cliente de la empresa de servicios públicos, tal vez requiera establecer crédito mostrando comprobantes de haber pagado a tiempo el alquiler, el servicio de teléfono o de cable, o el pago de otro tipo de deuda aceptable, durante los últimos 12 meses.

<Date>

Mahal na Naninirahan:

Sa 15 araw humigit-kumulang, titigilin ang serbisyong gas para sa tirahang nakalista sa ibaba dahil sa hindi pagbabayad ng mga pagkakautang, maliban kung matanggap namin kaagad mula sa pinauupahan (landlord) ang buong nahuling balanse.

Ang mga nangungupahan (tenants) ay may karapatan din na kaltasin ang mga bayad para sa gayong serbisyo mula sa mga pana-panahong pagbabayad sa upa.

Kung papasiyihin ninyong maging isang customer ng palingkurang-bayan, maaari kayong kailanganing ipatunay ang karapatan sa pag-utang (o credit) sa pamamagitan ng pagpapakita sa palingkuran (utility) ng katunayan ng napapanahong pagbayad ng upa, telepono o cable o pagbayad ng mga ibang tipo ng pagkakautang sa nakaraang 12 buwan na maaaring tanggapin.
