Advice No. 4484
(U 904 G)

Public Utilities Commission of the State of California

Subject: Notification of the Creation of New Affiliates

Purpose

Southern California Gas Company (SoCalGas) hereby notifies the California Public Utilities Commission (Commission) of the creation of new affiliates, as defined in the Commission's Affiliate Transaction Rules (the Rules).

Background

In accordance with Commission Decision No. (D.) 97-12-088, in OIR 97-04-011/OII 97-04-012, Appendix A, Rule VI.B, as modified by D.98-08-035, SoCalGas is required to notify the Commission of the creation of any new affiliate addressed by these Rules. Accordingly, SoCalGas is hereby notifying the Commission of the formation of affiliates as shown on the enclosed Attachment B.

D.97-12-088, as subsequently modified by various decisions, adopted rules governing the relationship between California's natural gas local distribution companies and electric utilities and certain of their affiliates. For the purposes of a gas utility, the Rules apply to all utility transactions with affiliates engaging in the provision of a product that uses gas or the provision of services that relate to the use of gas. However, regardless of the foregoing, where explicitly provided, the Rules also apply to a utility's parent holding company and to all of its affiliates, whether or not they engage in the provision of a product that uses gas or electricity or the provision of services that relate to the use of gas or electricity.¹

No unusual or unique circumstances exist that would require affiliate transaction rule implementation measures for these affiliates beyond those already identified by the utility. Therefore, SoCalGas will apply the provisions of its 2012 Compliance Plan Advice No. 4380 to all transactions with these affiliates. If the Commission modifies or requires the

modification of Advice No. 4380, SoCalGas will apply all such changes, or the provisions of such amended plans, to the affiliates included herein.

This filing will not increase or decrease any rate or charge, conflict with any schedules or rules, or cause the withdrawal of service.

Protest

Anyone may protest this Advice Letter to the Commission. The protest must state the grounds upon which it is based, including such items as financial and service impact, and should be submitted expeditiously. The protest must be made in writing and must be received within 20 days of the date this Advice Letter, which is May 5, 2013. There is no restriction on who may file a protest. The address for mailing or delivering a protest to the Commission is:
