Advice No. 4694
(U 904 G)

Public Utilities Commission of the State of California

Subject: Expedited Advice Letter (EAL) Approval of an Interstate Capacity Contract Between Southern California Gas Company and El Paso Pipeline Partners

Purpose

Southern California Gas Company (SoCalGas) respectfully requests approval of an interstate capacity contract with El Paso Pipeline Partners (El Paso).

Background

Under the interstate capacity acquisition procedure approved in Decision (D.) 04-09-022, contracts for interstate capacity supported by the Office of Ratepayer Advocates (ORA) and The Utility Reform Network (TURN) may be submitted for approval to the California Public Utilities Commission (Commission) by an Expedited Advice Letter.

ORA has authorized SoCalGas to state that it supports the capacity contract with El Paso as described below. However, TURN was unable to participate in the review process for this contract due to time constraints.

Description of Contract

The terms of the contract are confidential and are described in Attachment A submitted under the confidentiality provisions of General Order 66-C and Section 583 of the Public Utilities Code and provided only to the Energy Division, ORA and TURN.

This filing will not create any deviations from SoCalGas' tariffs, cause withdrawal of service from any present customer, or impose any more or less restrictive conditions.
