Advice No. 4869
(U 904 G)

Public Utilities Commission of the State of California

Subject: SoCalGas Quarterly Notice on the Energy Data Request Program

Purpose

In compliance with Ordering Paragraph (OP) 9 of Decision (D.) 14-05-016, Southern California Gas Company (SoCalGas) hereby submits this Advice Letter to notify the California Public Utilities Commission (Commission) of the transfer of information in SoCalGas' Energy Data Request Program (EDRP), from July 1, 2015 to September 30, 2015.

Background

On May 5, 2014 the Commission issued D.14-05-016 which adopted rules that provide access to energy usage and usage-related data to local government entities, researcher, and state and federal agencies when such access is consistent with state law and the Commission's Privacy Rules. To facilitate this data access, D.14-05-016 adopted a Data Request and Release Process that SoCalGas must follow to receive and fulfill requests for data covered by D.14-05-016. On July 30, 2014 SoCalGas filed a Tier 2 Advice Letter to establish the DRRP through a service offering referred to as the EDRP.¹

Transfer of Information

SoCalGas initiated its EDRP portal on December 1, 2014 to: 1) receive all requests for data; 2) post details of the data requests; and 3) track the progress and status of utilities' response to those data requests.

¹ Advice No. 4674-G was effective August 29, 2014.

From July 1, 2015 through September 30, 2015, SoCalGas has fulfilled one data requests from local government entities, researchers and/or state and federal agencies, as shown in attachment A of this Advice Letter.

More information regarding SoCalGas' energy data and the SoCalGas EDRP can be found at www.socalgas.com/energydatarequest.
