Advice No. 5109
(U 904G)

Public Utilities Commission of the State of California

Subject: Expedited Advice Letter Approval for a Capacity Contract between Southern California Gas Company and Kern River Gas Transmission Company

Purpose

Southern California Gas Company (SoCalGas) respectfully requests approval of the interstate capacity contract with Kern River Gas Transmission Company (Kern River) described below.

Background

Under the interstate capacity acquisition procedure approved in Decision (D.) 04-09-022, contracts for interstate capacity supported by the Office of Ratepayer Advocates (ORA) and The Utility Reform Network (TURN) may be submitted for approval to the Commission by an Expedited Advice Letter. ORA and TURN have been consulted and do not oppose the capacity contract as described.

Description of Contract

The terms of the contract are confidential and are described in Attachment A. This filing will not create any deviations from SoCalGas' tariffs, cause withdrawal of service from any present customer, or impose any more or less restrictive conditions.

Confidentiality

Due to the confidential nature of the contract, which contains market-sensitive negotiated core capacity contract terms, a Confidential Attachment A, pursuant to General Order (GO) 66-C, Section 583 of the Public Utilities Code, and D.16-08-024, is being provided to Energy Division and ORA, and to TURN under the confidentiality provisions of a non-disclosure agreement. A declaration requesting confidential treatment is being provided to the Commission concurrently with this Advice Letter, pursuant to D.16-08-024.

Protest

Anyone may protest this Advice Letter to the Commission. The protest must state the grounds upon which it is based, including such items as financial and service impact, and should be submitted expeditiously.
