Advice No. 5125
(U 904 G)

Public Utilities Commission of the State of California

Subject: Emergency Local Service Zone Curtailment Effective April 18, 2017 through April 21, 2017

Purpose

Southern California Gas Company (SoCalGas) hereby submits this Advice Letter to notify the California Public Utilities Commission (Commission) and affected parties of a curtailment event in its service territory.¹

Background

SoCalGas Rule No. 23, Section J, provides the following:

The Utility shall submit an Advice Letter to the Commission's Energy Division within five business days from the conclusion of a non-maintenance-related curtailment. The filing shall state the facts underlying and the reasons for the curtailment, shall demonstrate that the type of curtailment being declared complies with the Utility's tariffs, and shall set forth efforts the Utility has taken to minimize or alleviate the curtailment. The filing shall be served by electronic mail or overnight mail on affected noncore customers and posted by the Utility on its Electronic Bulletin Board.

This Advice filing is being made consistent with that requirement.

¹ SoCalGas is submitting this Advice Letter pursuant to Decision (D.) 16-07-008.

Information

A. Facts Underlying and Reasons for the Curtailment

SoCalGas initiated an emergency curtailment of service in the Valley Local Service Zone beginning at 2:00 p.m. on April 18, 2017. The emergency curtailment of service ended at 4:09 p.m. on April 21, 2017. The curtailment was called because Pacific Gas & Electric Company (PG&E) experienced a pressure excursion in their system at the Monolith Regulator Station, which feeds SoCalGas' high pressure distribution system. Because of this excursion, PG&E isolated the station, reducing natural gas supply to the area. In order to avoid interruption to core customers, SoCalGas initiated a curtailment of noncore customers.

The affected customers were noncore customers located in a sub-zonal area of the Valley Local Service Zone, which is defined in SoCalGas' tariff maps, Boundary Index Map of Local Service Zones and Territorial Boundary Lines of Local Service Zones. The sub-zonal area included the city of Tehachapi, south of East Tehachapi Blvd, north of Kern County Korean War Veterans Memorial Highway, and east of Tehachapi Willow Springs Road. A list of the affected customers is provided in Attachment A.

B. Compliance with SoCalGas' Tariffs

This curtailment was instituted in accordance with Section E of Rule No. 23, Curtailment Due to Emergency Conditions. Each affected noncore customer was provided a Maximum Allowed Usage during the length of the curtailment.

C. Efforts by SoCalGas to Minimize or Alleviate the Curtailment

SoCalGas notified the affected customers of the curtailment of service through their Account Manager and via our Envoy electronic bulletin board. Notices were posted on Envoy on April 18, 2017 and April 21, 2017.²

Confidentiality

Due to the confidential nature of the information in Attachment A, a declaration requesting confidential treatment is included. The List of the Affected Customers in Attachment A is only being provided to Energy Division under the confidentiality provisions of General Order (GO) 66-C, Section 583 of the Public Utilities Code, and D.16-08-024.

Protest

Anyone may protest this Advice Letter to the Commission. The protest must state the grounds upon which it is based, including such items as financial and service impact, and should be submitted expeditiously. The protest must be made in writing and received
