Advice No. 5201
(U 904 G)

Public Utilities Commission of the State of California

Subject: Local Service Zone Curtailment Effective September 15, 2017 through October 3, 2017

Purpose

Southern California Gas Company (SoCalGas) hereby submits this Advice Letter to notify the California Public Utilities Commission (Commission) and affected parties of a curtailment event in its service territory.¹

Background

SoCalGas Rule No. 23, Section J, provides the following:

The Utility shall submit an Advice Letter to the Commission's Energy Division within five business days from the conclusion of a non-maintenance-related curtailment. The filing shall state the facts underlying and the reasons for the curtailment, shall demonstrate that the type of curtailment being declared complies with the Utility's tariffs, and shall set forth efforts the Utility has taken to minimize or alleviate the curtailment. The filing shall be served by electronic mail or overnight mail on affected noncore customers and posted by the Utility on its Electronic Bulletin Board.

This Advice filing is being made consistent with that requirement.

¹ SoCalGas is submitting this Advice Letter pursuant to Decision (D.) 16-07-008.

Information

A. Facts Underlying and Reasons for the Curtailment

SoCalGas initiated a localized curtailment of service in the Imperial Valley beginning at 7:00 p.m. on September 15, 2017. The localized curtailment of service ended at 4:30 p.m. on October 3, 2017. The curtailment was issued to facilitate the repair of a natural gas pipeline.

The affected customers were electric generator customers located in the Imperial Valley region of the Southern System - East of Moreno Zone, which is defined in SoCalGas' tariff maps, Boundary Index Map of Local Service Zones and Territorial Boundary Lines of Local Service Zones. A list of the affected customers is provided in Attachment A.

B. Compliance with SoCalGas' Tariffs

This curtailment was instituted in accordance with Section E of Rule No. 30, Interruption of Service and Section C of Rule No. 23, Curtailment of Service. Each affected noncore customer was provided a Maximum Allowed Usage during the length of the curtailment.

C. Efforts by SoCalGas to Minimize or Alleviate the Curtailment

SoCalGas notified the affected customers of the curtailment of service through their Account Manager and via our Electronic Bulletin Board, ENVOY®. Notices were posted on ENVOY® on September 15, 2017² and October 4, 2017.³

Confidentiality

Due to the confidential nature of the information in Attachment A, a declaration requesting confidential treatment is included. The List of the Affected Customers in Attachment A is only being provided to Energy Division under the confidentiality provisions of General Order (GO) 66-C/D, Section 583 of the Public Utilities Code, and D.16-08-024.
