Advice No. 5203
(U 904 G)

Public Utilities Commission of the State of California

**Subject: Southern California Gas Company's Statewide Marketing, Education,
and Outreach 2017- 2018 Budgets**

Purpose

Southern California Gas Company (SoCalGas) hereby submits for approval by the California Public Utilities Commission (Commission) its Statewide Marketing, Education, and Outreach (SW ME&O) budget for the period of October 1, 2017 through September 30, 2018 required in compliance with Decision (D.) 16-09-020, Ordering Paragraph (OP) 7.

Background

In D.16-09-020, the Commission adopted and ratified the results of the Request for Proposal process used to select the implementer of the 2017-2019 SW ME&O program. OP 7 of D.16-09-020 directs each Investor-Owned Utility (IOU) to file a Tier 1 Advice Letter specifying the dollar amount of its SW ME&O budget for the period October 1, 2016, through September 30, 2017, and annually thereafter for the twelve-month periods ending September 30, 2018 and September 30, 2019.

OP 6 of D.16-09-020 outlined that the IOUs must continue to fund the annual SW ME&O budget program according to the following percentages: 46.74% for PG&E, 32.68% for Southern California Edison Company, 12.43% for San Diego Gas and Electric Company, and 8.14% for SoCalGas. However, the percentage allocation only totals 99.99%. This filing corrects that issue and each IOU, including SoCalGas, will increase its percentage allocation by 0.0025%.

On September 10, 2017, DDB filed a supplemental advice letter, DDB-1-A, to amend the Roadmap and document the revised total budget in which EM&V expenses and IOU administration expenses were removed from DDB's budget allocation. Given these changes, the SW ME&O budget for DDB's activities from October 2016 to September 2019 was reduced from \$73,318,314 to \$68,186,032.¹ The Energy Division is authorized use of the 4% EM&V budget allocation to conduct statewide EM&V studies, and the Commission bills the energy companies directly for their respective shares. The IOU's are authorized 3% for IOU administrative costs related to SW ME&O activities, and each energy company retains its allocated share of the administrative expenses to cover actual incurred costs.

SoCalGas SW ME&O Budget

The total SW ME&O budget from October 1, 2016 through September 30, 2019 is \$73,318,314 and includes allocations for EM&V and IOU administrative costs. Based on this total, SoCalGas' October 2016 – September 2019 annual budgets, including administrative expenses, are shown in Table 1 below. SoCalGas' SW ME&O budget for October 1, 2017 through September 30, 2018 is \$2.155 million.

Table 1: SoCalGas Total Budget for SW ME&O Budget per D.16-09-020²

	Oct 2016 – Sept 2017	Oct 2017 – Sept 2018	Oct 2018 – Sept 2019	Total
SoCalGas (8.1425%)	\$1,658,317	\$2,155,813	\$2,155,813	\$5,969,943

According to D.16-09-020, Conclusion of Law 5, the cost recovery proposals authorized in D.13-12-038 will remain in effect for the 2017-2019 program cycle.
