Advice No. 5279
(U 904 G)

Public Utilities Commission of the State of California

Subject: SoCalGas Quarterly Notice on the Energy Data Request Program

Purpose

In compliance with Ordering Paragraph (OP) 9 of Decision (D.) 14-05-016, Southern California Gas Company (SoCalGas) hereby submits this advice letter to notify the California Public Utilities Commission (Commission) of the transfer of information in SoCalGas' Energy Data Request Program (EDRP), from January 1, 2018 through March 31, 2018.

Background

On May 5, 2014, the Commission issued D.14-05-016 which adopted rules that provide access to energy usage and usage-related data to local government entities, researchers, and state and federal agencies when such access is consistent with state law and the Commission's Privacy Rules. To facilitate this data access, D.14-05-016 adopted a Data Request and Release Process that SoCalGas must follow to receive and fulfill requests for data covered by D.14-05-016. On July 30, 2014, SoCalGas filed a Tier 2 Advice Letter to establish the DRRP through a service offering referred to as the EDRP.¹

¹ Advice No. 4674-G was effective August 29, 2014.

Discussion

A. Transfer of Information

SoCalGas initiated its EDRP portal on December 1, 2014 to: 1) receive all requests for data; 2) post details of the data requests; and 3) track the progress and status of utilities' response to those data requests².

From January 1, 2018 through March 31, 2018, SoCalGas: 1) fulfilled seven of twelve data requests from local government entities, researchers, and/or state and federal agencies; and 2) cancelled five of the data requests.

During Q1 of 2018, SoCalGas completed a 'recurring' request for the City of Claremont on February 15, 2018. Pursuant to D.14-05-016, 'recurring' requests are considered 'ongoing' and do not require advance notice of subsequent transfer once the initial formal letter is sent to the Executive Director of the Commission. On March 10, 2016, SoCalGas sent an initial letter to the Executive Director of the Commission regarding the release of data to the City of Claremont.

More information regarding SoCalGas' energy data and the SoCalGas EDRP can be found at www.socalgas.com/energydatarequest.

Protest

Anyone may protest this Advice Letter to the Commission. The protest must state the grounds upon which it is based, including such items as financial and service impact, and should be submitted expeditiously. The protest must be made in writing and received within 20 days of the date of this Advice Letter, which is April 25, 2018. There is no restriction on who may file a protest. The address for mailing or delivering a protest to the Commission is:

CPUC Energy Division
Attention: Tariff Unit
505 Van Ness Avenue
San Francisco, CA 94102

Copies of the protest should also be sent via e-mail to the attention of the Energy Division Tariff Unit (EDTariffUnit@cpuc.ca.gov). A copy of the protest shall also be sent via both e-mail and facsimile to the address shown below on the same date it is mailed or delivered to the Commission:

² As of Q2 2016, SoCalGas has updated its data catalog to reflect canceled requests.

Los Angeles, CA 90013-1011
Facsimile No.: (213) 244-4957
E-Mail: ROrtiz@semprautilities.com

Effective Date

SoCalGas believes this Advice Letter is subject to Energy Division disposition and should be classified as Tier 1 (effective pending disposition) pursuant to General Order (GO) 96-B. It is in compliance with OP 9 of D.14-05-016. Therefore, SoCalGas respectfully requests that it be made effective on April 5, 2018, which is the date submitted.

Notice

A copy of this advice letter is being sent to SoCalGas' GO 96-B service list. Address change requests to the GO 96-B service list should be directed by electronic mail to tariffs@socalgas.com or call 213-244-2837. For changes to all other service lists, please contact the Commission's Process Office at 415-703-2021 or by electronic mail at process_office@cpuc.ca.gov.
