Southern California Gas Company and Transwestern Pipeline Company,

LLC

<u>Purpose</u>

Southern California Gas Company (SoCalGas) respectfully requests approval by the California Public Utilities Commission (Commission) of an interstate capacity contract with Transwestern Pipeline Company, LLC (Transwestern).

Background

Description of Contract

The terms of the contract are confidential and are described in Attachment A. This filing will not create any deviations from SoCalGas' tariffs, cause withdrawal of service from any present customer, or impose any more or less restrictive conditions.

Confidentiality

Due to the confidential nature of the contract which contains market-sensitive negotiated core capacity contract terms, a Confidential Attachment A, pursuant to

General Order (GO) 66-D, Section 583 of the Public Utilities Code, and D.17-09-023 is being provided to Energy Division and ORA, and to TURN under the confidentiality provisions of a non-disclosure agreement. A declaration requesting confidential treatment is being provided to the Commission concurrently with this Advice Letter, pursuant to D.17-09-023.

The disclosure of this information could result in higher transportation costs to core ratepayers. |
