Advice No. 5661  
(U 904 G)

Public Utilities Commission of the State of California

**Subject: Quarterly Summary of Maintenance Related Curtailments – April 1, 2020 – June 30, 2020**

### **Purpose**

Southern California Gas Company (SoCalGas) hereby submits this Advice Letter (AL) to notify the California Public Utilities Commission (Commission) and affected parties of curtailment events in its service territory.<sup>1</sup>

### **Background**

SoCalGas Rule No. 23, Section J, provides the following:

The Utility shall submit an Advice Letter to the Commission's Energy Division within five business days from the conclusion of a non-maintenance-related curtailment. The filing shall state the facts underlying and the reasons for the curtailment, shall demonstrate that the type of curtailment being declared complies with the Utility's tariffs, and shall set forth efforts the Utility has taken to minimize or alleviate the curtailment. The filing shall be served by electronic mail or overnight mail on affected noncore customers and posted by the Utility on its Electronic Bulletin Board. The Utility shall submit an Advice Letter to the Commission's Energy Division within five business days from the end of each calendar quarter providing the same information for all maintenance-related curtailments over the reporting period.

This AL submission is being made consistent with that requirement and covers all maintenance-related curtailments that occurred during the period of April 1, 2020 through June 30, 2020. The following table summarizes the maintenance-related curtailments that occurred over the reporting period. Each event is described in more detail in the following
