Advice No. 5690
(U 904 G)

Public Utilities Commission of the State of California

Subject: Update of CPUC Reimbursement Account User Fees in Compliance with Resolution M-4841

Southern California Gas Company (SoCalGas) hereby submits for approval by the California Public Utilities Commission (Commission or CPUC) revisions to SoCalGas' tariff schedules, applicable throughout its service territory, as shown on Attachment A, to be effective October 1, 2020.

Purpose

The purpose of this Advice Letter is to update utility reimbursement account user fees, in compliance with CPUC Resolution (Res.) M-4841.

Background

Section 431 of the Public Utilities Code includes:

The commission shall annually determine a fee to be paid by every electrical, gas, telephone, telegraph, water, sewer system, and heat corporation and every other public utility providing service directly to customers or subscribers and subject to the jurisdiction of the commission other than a railroad, except as otherwise provided in Article 2 (commencing with Section 421)

On July 17, 2020, the Commission issued Res. M-4841 updating the reimbursement account user fees, effective October 1, 2020, from 0.247 to 0.577 cents/therm for gas corporations. Accordingly, SoCalGas is submitting revisions to Preliminary Statement Part II, Summary of Rates and Charges, and Schedule No. G-SRF, Surcharge to Fund

Public Utilities Commission Utilities Reimbursement Account, to comply with the Res. M-4841.

Protest

Anyone may protest this Advice Letter to the Commission. The protest must state the grounds upon which it is based, including such items as financial and service impact, and should be submitted expeditiously. The protest must be made in writing and must be received within 20 days of the date of this Advice Letter, which is September 30, 2020. Copies of the protest should also be sent via e-mail to the attention of the Energy Division Tariff Unit (EDTariffUnit@cpuc.ca.gov). Due to the COVID-19 pandemic and the shelter at home orders, SoCalGas is currently unable to receive protests or comments to this Advice Letter via U.S. mail or fax. Effective Date

SoCalGas believes this Advice Letter is subject to Energy Division disposition and should be classified as Tier 1 (effective pending disposition) pursuant to General Order (GO) 96-B. Because the Ordering Paragraph of Res. M-4841 specifies that the new user fees provided for in Section 431 of the Public Utilities Code become effective October 1, 2020, SoCalGas requests that the revised tariffs included herein concurrently become effective on October 1, 2020, subject to the Energy Division's determination that the submittal complies with Res. M-4841.
