Advice No. 5810-A  
(U 904 G)

Public Utilities Commission of the State of California

**Subject: Supplement - Establishment of the Medium and Large Commercial and Industrial COVID-19 Disconnection Moratorium Memorandum Account (CDMMA) Pursuant to Decision (D.) 21-04-015 Ordering Paragraph (OP) 1**

Southern California Gas Company (SoCalGas) hereby submits for approval by the California Public Utilities Commission (Commission or CPUC) revisions to its Preliminary Statement Part VI, Memorandum Accounts, applicable throughout its service territory, as shown on Attachment A.

### **Purpose**

In compliance with OP 1 of D.21-04-015, this submittal establishes the CDMMA to record expenses for medium-large commercial and industrial customers during the COVID-19 disconnection moratorium.

This supplemental Advice Letter replaces Advice No. (AL) 5810 in its entirety for SoCalGas to establish its medium-large commercial and industrial CDMMA for the purpose of recording incremental costs associated with the COVID-19 disconnection moratorium protections for SoCalGas' core non-residential utility customers through September 30, 2021.<sup>1</sup>

### **Background**

Since March 2020, the coronavirus has sharply weighed on California's economy. Millions of Californians filed new claims for state unemployment benefits. Businesses – small, medium, and large – faced reductions or closures to their operations because of shelter-in-place orders. On December 21, 2020, the Commission initiated an expedited Phase 3 of the Rulemaking (R.) 18-03-011 proceeding to provide disaster relief for medium-large

---

<sup>1</sup> On July 6, 2021, Energy Division sent an e-mail stating that the "IOUs should file ALs to extend the M/L uncollectible recovery account to September 30, 2021, to align with the new end date for the moratorium."

commercial and industrial investor-owned utility (IOU) customers, at a time when the coronavirus remains prevalent.

Pursuant to the assigned Commissioner's Scoping Memo and Ruling, on December 30, 2020, the IOUs jointly filed a request (Joint Motion) for an expedited order adopting the utilities' respective CDMMAs, to be made effective December 30, 2020.<sup>2</sup> In the Joint Motion, the utilities explained that "the purpose of the proposed account is to preserve the IOUs' respective abilities to request Commission consideration of cost recovery associated with disconnection moratoriums for medium and large commercial and industrial utility customers during the pandemic period, and avoid potential objections based on the retroactive ratemaking doctrine."<sup>3</sup>

Issued on April 19, 2021, the Commission adopted a COVID-19 disconnection moratorium for medium-large commercial and industrial customers.<sup>4</sup> D.21-04-015 authorizes Pacific Gas and Electric Company (PG&E), Southern California Edison Company (SCE), San Diego Gas and Electric Company (SDG&E), and SoCalGas to each establish memorandum accounts for the purpose of recording incremental costs associated with the COVID-19 disconnection moratorium protections for medium-large commercial and industrial utility customers from December 30, 2020 to June 30, 2021.<sup>5</sup> Accordingly, pursuant to OP 1 of D.21-04-015, PG&E, SCE, SDG&E, and SoCalGas are directed to each submit a Tier 2 Advice Letter within 30 days upon the effective date of this decision, establishing their respective accounts along with the applicable tariff language, effective December 30, 2020 through June 30, 2021.

On May 19, 2021, SoCalGas submitted AL 5810 to establish the CDMMA to record the incremental costs associated with the COVID-19 disconnection moratorium protections for medium-large commercial and industrial customers, including non-residential core customers, from December 30, 2020 to June 30, 2021.

On June 30, 2021, the Commission issued D.21-06-036, directing PG&E, SDG&E, SCE, and SoCalGas to suspend disconnections for non-payment until September 30, 2021.<sup>6</sup> On July 6, 2021, Energy Division directed the IOUs to extend the medium-large recovery accounts to September 30, 2021 to align with D.21-06-036.<sup>7</sup>

<sup>7</sup> On June 29, 2021, Energy Division sent an e-mail clarifying that the "utilities should be applying the extension of the disconnection moratorium through September 30, 2021 to all customer classes including medium-large C&I costumers."

## **Establishment of the CDMMA**

In compliance with OP 1 of D.21-04-015, SoCalGas is establishing the CDMMA to record incremental costs associated with the COVID-19 disconnection moratorium protections for medium-large commercial and industrial utility customers during the period of the moratorium from December 30, 2020 through September 30, 2021.<sup>8,9</sup>
