Advice No. 5974
(U 904 G)

Subject: Schedule No. GT-SWGX - Exchange Wholesale Natural Gas Service - Exchange Rate

Public Utilities Commission of the State of California

Southern California Gas Company (SoCalGas) hereby submits for the California Public Utilities Commission (Commission or CPUC) revisions to its Schedule No. GT-SWGX (GT-SWGX), Exchange Wholesale Natural Gas Service applicable to Southwest Gas Corporation (Southwest), as shown on Attachment A.

Purpose

This submittal revises the rate (Exchange Rate) SoCalGas charges Southwest for exchange transportation service pursuant to GT-SWGX. The Exchange Rate recovers certain exchange fees charged by Pacific Gas and Electric Company (PG&E) to SoCalGas, plus SoCalGas' system balancing costs, and applies only to gas quantities delivered to Southwest through delivery points served by PG&E.

Background

In Decision (D.) 09-10-036, the Commission adopted an exchange contract between SoCalGas and PG&E and a transportation contract between SoCalGas and Southwest. These contracts govern SoCalGas' service to, and rates for, Southwest. Pursuant to that decision, the PG&E exchange fee shall automatically change if the Commission approves modification to any of the tariffed components of the formula used to determine the exchange fee.¹ Whenever either the PG&E exchange fee changes and/or SoCalGas' system balancing cost adder (SBCA) changes, the Exchange Rate between SoCalGas and Southwest also will change as stated in GT-SWGX and in the transportation contract between SoCalGas and Southwest. Further, any newly calculated Exchange Rates under the Southwest Agreement will become effective and

¹ D.09-10-036, mimeo., at 18 (Finding of Fact No. 18).

will be charged to Southwest on the first day of the second month following CPUC approval of the applicable changes.²

On March 18th, 2022, the Commission approved PG&E's Advice No. 4543-G, resulting in a change to the PG&E exchange fee. Therefore, the new Exchange Rate will become effective on May 1st 2022.

Requested Revision

This submittal increases the Exchange Rate in GT-SWGX from 16.346¢/therm to 16.914¢/therm, which is the sum of the new PG&E exchange fee of 16.100¢/therm and the current SoCalGas SBCA charge of 0.814¢/therm. The calculation of the SBCA and PGE's exchange rate for the Southwest contract is shown on Attachment B.

Protest

Anyone may protest this Advice Letter to the Commission. The protest must state the grounds upon which it is based, including such items as financial and service impact, and should be submitted expeditiously. The protest must be submitted electronically and must be received within 20 days after the date of this Advice Letter, which is May 19, 2022. Protests should be submitted to the attention of the Energy Division Tariff Unit at:

SoCalGas respectfully requests the tariff sheets submitted herein be effective on May 1, 2022, the date specified in the two Commission-approved contracts governing SoCalGas' service to Southwest.
