Advice No. 6066
(U 904 G)

Public Utilities Commission of the State of California

Subject: Update of CPUC Reimbursement Account User Fees in Compliance with Resolution M-4866

Southern California Gas Company (SoCalGas) hereby submits for approval by the California Public Utilities Commission (Commission or CPUC) revisions to SoCalGas' tariff schedules, applicable throughout its service territory, as shown on Attachment A, to be effective January 1, 2023.

Purpose

The purpose of this Advice Letter is to update utility reimbursement account user fees, in compliance with CPUC Resolution (Res.) M-4866.

Background

Section 431 of the Public Utilities Code includes:

The commission shall annually determine a fee to be paid by every electrical, gas, telephone, telegraph, water, sewer system, and heat corporation and every other public utility providing service directly to customers or subscribers and subject to the jurisdiction of the commission other than a railroad, except as otherwise provided in Article 2 (commencing with Section 421)

Proposed Revisions

On December 15, 2022, the Commission issued Res. M-4866 updating the reimbursement account user fees, effective January 1, 2023, from 0.577 to 0.300 cents/therm for gas corporations. Accordingly, SoCalGas is submitting revisions to Preliminary Statement Part II, Summary of Rates and Charges, and Schedule No. G-SRF, Surcharge to Fund Public Utilities Commission Utilities Reimbursement Account, to comply with the Res. M-4866.

Protests

Anyone may protest this Advice Letter to the Commission. The protest must state the grounds upon which it is based, including such items as financial and service impact, and should be submitted expeditiously. The protest must be submitted electronically and must be received within 20 days after the date of this Advice Letter, which is January 5, 2023. Protests should be submitted to the attention of the Energy Division Tariff Unit at:

E-mail: EDTariffUnit@cpuc.ca.gov

In addition, protests and all other correspondence regarding this Advice Letter should also be sent electronically to the attention of:

Attn: Gary Lenart
Regulatory Tariff Manager
E-mail: GLenart@socalgas.com
E-mail: Tariffs@socalgas.com

Effective Date

This submittal is subject to Energy Division disposition and should be classified as Tier 1 (effective pending disposition) pursuant to General Order (GO) 96-B. Because the Ordering Paragraph of Res. M-4866 specifies that the new user fees provided for in Section 431 of the Public Utilities Code become effective January 1, 2023, SoCalGas requests that the revised tariffs included herein become effective on January 1, 2023, subject to the Energy Division's determination that the submittal complies with Res. M-4866.

Notice

A copy of this Advice Letter is being sent to SoCalGas' General Order (GO) 96-B service list. Address change requests to the GO 96-B service list should be directed via e-mail to Tariffs@socalgas.com or call 213-244-2837.
