Advice No. 6114  
(U 904 G)

Public Utilities Commission of the State of California

**Subject: Notification of the Creation of New Affiliates**

**Purpose**

Southern California Gas Company (SoCalGas) hereby notifies the California Public Utilities Commission (Commission or CPUC) of the creation of new affiliates, as defined in the Commission's Affiliate Transaction Rules (the Rules).

**Background**

In accordance with Commission Decision No. (D.) 97-12-088, in OIR 97-04-011/OII 97-04-012, Appendix A, Rule VI.B, as modified by D.98-08-035 and D.06-12-029, SoCalGas is required to notify the Commission of the creation of any new affiliate addressed by these Rules. Accordingly, SoCalGas is hereby notifying the Commission of the formation of affiliates as shown on the enclosed Attachment A.

D.97-12-088, as subsequently modified by various decisions, adopted rules governing the relationship between California's natural gas local distribution companies and electric utilities and certain of their affiliates. For the purposes of a gas utility, the Rules apply to all utility transactions with affiliates engaging in the provision of a product that uses gas or the provision of services that relate to the use of gas. However, regardless of the foregoing, where explicitly provided, the Rules also apply to a utility's parent holding company and to all of its affiliates, whether or not they engage in the provision of a product that uses gas or electricity or the provision of services that relate to the use of gas or electricity.<sup>1</sup>

No unusual or unique circumstances exist that would require affiliate transaction rule implementation measures for these affiliates beyond those already identified by the utility. Therefore, SoCalGas will apply the provisions of its 2021

---

<sup>1</sup> In accordance with D.06-12-029, only certain Rules apply to holding companies that are not engaged in the provision of gas- or electricity-related products and/or services.

Compliance Plan Advice No. (AL) 5831 to all transactions with these affiliates.<sup>2</sup> If the Commission modifies or requires the modification of AL 5831, SoCalGas will apply all such changes, or the provisions of such amended plans, to the affiliates included herein.

This submittal will not increase or decrease any rate or charge, conflict with any schedules or rules, or cause the withdrawal of service. Please note, the notification of the one affiliate was not made timely as provided in Rule VI.B. of the Rules. Although notice was delayed, SoCalGas/SDGE has posted this affiliate on its website
