20% Discount CARE APPLICATION

For Qualified Nonprofit Group Living Facilities

Application for California Alternate Rates for Energy (CARE) Program

The CARE program provides a 20% monthly discount on the natural gas bill of nonprofit group living facilities that meet the program criteria established by the California Public Utilities Commission (CPUC). The discounted rate is available to qualified facilities once SoCalGas receives and approves the application.

Instructions:

- 1 **Read** the information on pages 2 and 3. If you have questions, call SoCalGas at 1-800-427-2200.
- 2 **Determine** if the facility meets the definition of a “qualified agricultural employee housing facility.” The facility **MUST** meet ALL criteria to qualify for the 20% monthly discount.
- 3 **Complete** and **Submit** the entire application (please print). Complete a separate application for each qualified facility (including satellite facilities).
- 4 **Attach** all required documents. Application will not be approved without all requested documentation.
- 5 **Mail To:** SoCalGas

Eligible Facilities

Nonprofit Group Living Facilities:

If you are operating a women's shelter, homeless shelter, hospice, or a nonprofit group living facility, your facility may be eligible to save on its monthly natural gas bill. Eligible group living facilities may include transitional housing (drug rehabilitation facilities, half-way houses), short-term or long-term care facilities (hospice, nursing homes, senior's or children's homes), or group homes for physically or mentally disabled persons.

Facility Requirements

- Have tax-exempt status under Internal Revenue Code Section 501(c)(3).
- Use at least 70 percent of the facility's natural gas consumption for residential purposes.
- Recertify eligibility upon request to remain enrolled in the program.
- Use the CARE discount for the direct benefit of the facility's residents.
- Ensure that all of the facility's residents meet the CARE eligibility guidelines (as shown in the chart on page 3).

Satellite Facilities:

- A nonprofit group living facility may consist of a licensed primary facility and related non-licensed facilities at other locations (satellites).
- The primary facility must be licensed by the appropriate state agency or provide adequate proof of eligibility and meet all other CARE criteria.
- At least 70 percent of the natural gas used at the satellite facility must be for residential purposes.
- The primary licensed facility's name must appear as the customer-of-record on the natural gas bill for the satellite facility.

Facilities Not Eligible

- Group living facilities offering only a place to live and no other services.
- Nonprofit facilities providing social services only.
- Student housing/dorms, military barracks, fraternities/sororities, privately owned for-profit housing, and government-subsidized housing.
- Government-owned and/or government-operated facilities.

How to Qualify/Recertify For the CARE program

Approved facilities are required to recertify for the CARE program upon request. An application will be mailed when it is time to recertify. Facilities must include total savings from the prior year and information on how the discount was used for the direct benefit of the qualified residents.

CERTIFICATION OF ELIGIBILITY

I certify, under penalty of perjury, under the laws of the State of California, that the information on this application is true and accurate. I am authorized by this facility to sign this application, and I have verified the income eligibility of all residents. I am responsible for the renewal of the facility's license from the appropriate State Licensing Department, or for the Conditional Use Permit, or to provide adequate proof of eligibility. I understand that SoCalGas may verify the accuracy of this information and confirm the direct benefit to the residents through random samplings. Errors in any information provided may cause the account(s) to be re-billed without the CARE discount. I authorize SoCalGas to share my information in order to remain eligible for available energy management assistance, and price reduction and residential rate programs with other utilities, state agencies and entities designated by the CPUC.
