RESOLUTION NO. _____

RED TEAM AFFIDAVIT

Customer Affidavit for Rates Negotiated as part of, or in conjunction with, a State of California sponsored Red Team

As representative of _____ I will be expanding and/or
(customer name)
locating a new business within the State of California. I was considering other
locations outside of the State of California to expand and/or start new business.
I verify that a material factor in the decision to locate within the State of
California was an incentive package offered by a Red Team which was formed
by the California Trade & Commerce Agency ("CA-TCA"), including the incentive
offered by The Southern California Gas Company, either as a participating
member of, or in conjunction with, the package offered by the Red Team. The
decision to locate, or expand, within the State of California was not based on
any ability to bypass The Southern California Gas Company system for another
system within the State of California.

I declare under penalty of perjury under the laws of the State of California that
the foregoing statement is true and correct.
